

EXPRESSION OF INTEREST FOR CONTENT DEVELOPMENT OF ICAI RVO

The ICAI Registered Valuers Organisation (RVO) has been incorporated as a section 8 Company by the Institute of Chartered Accountants of India as its wholly owned subsidiary to enrol and regulate registered valuers as its members in accordance with the Companies (Registered Valuers and Valuation) Rules, 2017.

It has also received recognition from Insolvency and Bankruptcy Board of India as a Registered Valuer Organisation under the asset class "Securities or Financial Assets". One of the mandates given to Registered Valuer Organisation is to conduct an Educational Course for 50 hours which is mandatory to become the valuer member and a precondition to take IBBI's Valuation Examination.

In order to help the Valuer members to prepare for this Examination, ICAI RVO provides its Members with Modules which cover Valuation Concepts specific to the asset class and syllabus prescribed by IBBI. ICAI RVO has also developed an integrated online Learning Management System (LMS) which brings a knowledge ecosystem in a collaborative pedagogical model. It has topic-wise content as per the prescribed syllabus and Multiple-Choice Questions for regular practice and to assist and prepare valuer members for the Valuation Examination.

In addition to this, ICAI RVO has published various Research papers and publications like Booklets on Valuation, Papers on Peer Review, Concept Papers on Valuation, Best Practices, Case Studies, Frequently Asked Questions on Valuation etc. for updation of knowledge of members and other Stakeholders.

In line with our commitment to offering a comprehensive platform that encompasses all asset classes outlined in the Valuation Rules 2017, we at ICAI RVO, have recently pursued and successfully secured recognition from IBBI for the remaining two asset classes: Land & Building, and Plant & Machinery as well.

ICAI RVO wishes to invite Expression of Interest from the professionals/faculty members having prior experience of developing content on relevant valuation related topics and having strong research skills to develop learning content, as per the syllabus prescribed by IBBI for Valuation Examination.
